2005 New Cub Scout Incentives

New Cub Scout Kit

Every new Cub Scout who joins by October 31, 2005 (or while supplies last) receives a plastic lunch box style case, that includes an authentic Pinewood Derby car kit that he can build and race!

Each new Cub Scout will receive a "driver's license" when they complete their new Cub Scout application and register with the Boy Scouts of America. The pack should present the New Cub Scout kits to each new Cub Scout at their first pack meeting.

The annual Pinewood Derby race is a traditional Cub Scout event where a boy and an adult work together to design and build their car to race. To many Cub Scouts, the Pinewood Derby is one of the highlights of their Cub Scout year.

Sign up today for Cub Scouts to make sure you receive your New Cub Scout kit and get started on your Cub Scout adventure.

Call Cliff Morgan (863-5891, cmorgan@us.ibm.com) or Steve Titcomb (434-4657, proft@gmavt.net) for more information, or go to www.scoutingvermont.org
